

Ames Minor Hockey Association (AMHA)

Corporate Sponsorship Program

2010/2011 Season

The Ames Minor Hockey Association (AMHA) was founded in 1973 and began competition during the 1974-1975 Season. Committed to youth hockey, the Ames youth hockey program established itself as a top youth hockey organization winning numerous season championships and tournament championships in the state of Iowa and the Midwest League. Since its' beginning, Ames Minor Hockey Association (AMHA) has served thousands of central Iowa families from Story, Boone, Hamilton, Jasper, Marshall, Carroll, and Polk counties. Each year, about 160 boys and girls three years to 18 years old participate in AMHA youth hockey.

The purpose of the Ames Minor Hockey Association (AMHA) is to promote the game of hockey and present a positive role model for the youth of our community. We want to provide an equal opportunity for the young people in the Ames area to learn the game and share in the enjoyment of playing. It is our desire that each participant - player, coach, referee, and parent - find a supportive environment that promotes fun and that encourages development to his or her maximum potential in the game of ice hockey. In doing so, they should learn the value and importance of teamwork and exemplify sportsmanship.

One of the realities of competitive youth hockey is that it is expensive to take part. The cost of ice time alone can border on the prohibitive side. When you add in the costs of equipment and travel associated with hockey, it is a sad but true fact that the expense can become exclusionary for many. Sometimes an otherwise deserving and capable youth hockey player is simply unable, i.e. for financial reasons, to take part. The Ames Minor Hockey Association is committed to eliminating this obstacle as best we can, and have established the Corporate Sponsorship Program.

Interestingly, the expensive nature of the sport offers a potential "upside" for our sponsors. The hockey community generally is made up of consumers who can and do support businesses that sponsor hockey. They are also keenly aware and appreciative of businesses and individuals who so generously support their children and the game they love.

So if you have a business you want to promote, or if you just want to play a significant part in the life of a deserving youth hockey player, we ask you respectfully to consider becoming an Ames Minor Hockey Association (AMHA) Sponsor.

Demographics of Ames/ISU Ice Arena Attendees

The nature of ice hockey and figure skating as sports is such that generally speaking, the people who take part in these sports are relatively supportive of their kids and have committed a significant amount of funds so they can participate. Whether it is ice hockey or figure skating, the costs involved to outfit the athletes are significant, as are the costs for adequate ice time and quality instruction and coaching.

The demographics of those who frequent ice arenas can therefore be described as young, suburban couples with children involved in ice hockey and figure skating. These people tend to be very competitive themselves and so are willing to spend their money to give their children a competitive advantage. They tend to identify very strongly with their children's sports and they are generally very loyal to the organization with whom they are affiliated.

If this social demographic fits the bill as a target audience for your business' advertising, then you should consider the advantages of investing a portion of your marketing budget in such ice arena marketing through an appropriate Ames Minor Hockey Association (AMHA) sponsorship.

Ames/ISU Ice Arena

Ames/ISU Ice Arena is located in Ames, Iowa and is one of the prime ice skating facilities in North Central Iowa. The Ames/ISU Ice Arena serves as the primary home for the Ames Minor Hockey Association (AMHA) hockey teams (Initiation, Tykes, Mites, Squirts, PeeWee, Bantam, Little Cyclones Junior Varsity and Varsity High School), the Iowa State University men's and women's hockey teams, Iowa State University intramural ice sports, Ames Figure Skating Club, Ames Parks and Recreation public skating and birthday parties, adult hockey, and Ames/ISU Ice Arena will host the 2010/2011 Midwest League Varsity Tournament, Junior Varsity Tournament, and the East-West All-Star Game. Corporate Sponsorship levels that include Ames/ISU Ice Arena banner, or Dasher Boards, or Ice Re-Surfacers signage will be viewed by visitors attending from Ames, Cedar Rapids, Des Moines, Dubuque, Mason City, Sioux City, Waterloo, Quad Cities, Kansas City, Lincoln, Tri-City. Ames/ISU Ice Arena has served as host to the Iowa Summer Games ice events and is being considered for Iowa's hockey state tournaments.

It is estimated that the "Foot Traffic" at Ames/ISU Ice Arena exceeds one hundred twenty-five thousand (125,000) persons annually. These persons are physically present in the facility for hours at a time, whether it is to watch a hockey game or practice, or a figure skating lesson or exhibition, or public skating. The result is that businesses that choose to advertise at Ames/ISU Ice Arena get more than one hundred twenty-five thousand (125,000) "impressions" that are constantly being reinforced and repeated as people sit and watch the event they are there for.

Special bonus traffic: Ames/ISU Ice Arena will host the 2009/2010 Midwest League Varsity Tournament, Junior Varsity Tournament, and the East-West All-Star Game. Corporate Sponsorship levels that include Ames/ISU Ice Arena banner, or Dasher Boards advertising, or Ice Re-Surfacers advertising will be viewed by visitors attending from Ames, Cedar Rapids, Des Moines, Dubuque, Mason City, Sioux City, Waterloo, Quad Cities, Kansas City, Lincoln, Tri-City.
